

LATIN AMERICA

SUMMARY

The Latin America Region comprises countries located in South and Central America, the Caribbean and Spain. While most of the countries have Spanish as their main language, many of its inhabitants know and speak a second minor language. In addition, the Caribbean islands have a vast number of languages local to each island, from Creole to Dutch and French. Through the *Avivemos Project* we are looking to catalyze a movement that will rekindle the fire of a catalytic movement in order to affect destiny by providing God's eternal word to all the children and youth in the region.

ONEHOPE HISTORY

OneHope has a rich history within the region, with over 30 years of work in the area. Ever since the first *Book of Hope* distribution took place in El Salvador in 1987, we have been able to impact children and youth in all countries in the region.

TESTIMONY

Lisander's father abandoned him, and his mother cared little for his well being. He received a *Book of Hope* from a church in his neighborhood. But Lisander hadn't been attending school, and he couldn't read the Scripture. Lisander began attending Sunday school, where he listened and learned about Jesus, and received tutoring from church members. He dedicated his life to Christ, and now has a support system from church!

Now, they attend school and church regularly, learning more about Jesus from their supportive community.

TESTIMONY

Magdalena was born into a Christian home, but she had never connected what she knew about Jesus with her own life and future. Then she began attending the *Lead Today* program that helps teens learn what it means to be godly leaders. She said, "I was able to see Jesus as I had not seen Him before - I could see His love and desire to serve. It reinforced teachings I had heard in my church without understanding. And now I see Jesus as my perfect role model for leadership."

TESTIMONY

Lorena brought her 16-year-old daughter, Renata, to a OneHope conference in their city of Malaga to learn about a new ministry launch. Later she wrote to tell us: "That day brought a spiritual awakening to Renata's heart, and I can tell you that she has said she turned her heart to God ... a thousand thanks for everything. We remain grateful for what you have done for us."
